OLD BUSINESS:

Dick stated that we need 2 members in uniform to greet people at the door at 5pm and eight more to serve at 5:30. He also shared that on March 29th Rotary is having a Veterans appreciation day and would like the band to play the Armed forces tribute. He will be having a meeting with Robin about the district music program.

We made \$600 at the Music Marathon and \$150 at MSO.

We will not be attending the Forum Festival this year. Not enough interest from the kids to justify the expense.
